

JU-WELIZED WATER

A source of new energy to improve Wellness,
vitality and harmony

Harnessing the power of Healing Stones with water... that is also JUDO.

Tap water flows into the JU-WEL device and reaches the selected jewels. The characteristic energy of the stone is transferred to the water. The water becomes smoothly JU-WELized. Whatever the purpose you use it for...as a revitalizing drink, to shower, bath or cook, you will enjoy the daily use of JU-WELized water. Experience the strength of the healing stones.

JU-WEL advantages

- ◆ Natural jewels
 - more energy, fitness and well-being
 - strengthen the general health condition
 - contribute to detoxification and purification of health
 - help reduce stress situation, restlessness and insomnia
 - Improve the water taste
- ◆ To drink, shower, bath and cook
- ◆ Also for the application of your heating water system
 - for a better space harmonization
- ◆ Recommended by Experts for natural Healing Therapy
- ◆ Quality certificate

Experience the daily use of JU-WELized Water

Stone Therapist recommend you to drink an extra litre of JU-WELized Water daily. This will help you feel better. Just one more suggestion: after a bath or shower pour JU-WELized Water over your soap free body – It revitalize body and soul.

Healing with jewels therapy for over 5000 years

Thousands of years ago in China, the legendary Shen Nung was conducting researches into the Healing Process of Stones. Today after a long period of time, Stone Therapy has seen to a revival process. Nowadays more and more people do experience the benefit of what mother nature has provided us with... "The Healing Jewels".
